EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

2. The application has been amended as follows:

Pursuant to MPEP 606.01, the title has been changed to "Different Register Data Indicators for each of a Plurality of Central Processing Units".

Allowable Subject Matter-Reasons For Allowance

3. The following is an examiner's statement of reasons for allowance:

a. Referring to claim 1, the prior art has not taught or suggested indicating whether data in said register is available for a given central processing unit by providing different indicators assigned to each of a plurality of central processing units in combination with the claimed providing and causing steps.

b. Referring to claim 11, the prior art of record has not taught to provide different indicators for each of a plurality of central processing units, in combination with the claimed "make a register accessible...", "indicate whether data in said register..." and "cause the given central processing unit to..."

4. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
